

# Brand Guidelines

# Our logo

In order to maintain this consistency, a few guidelines should be followed. Our logo should never be recreated or typeset. Only official logo files should be used. The logo as shown here will serve as the primary logo and trademark.

Full Logo

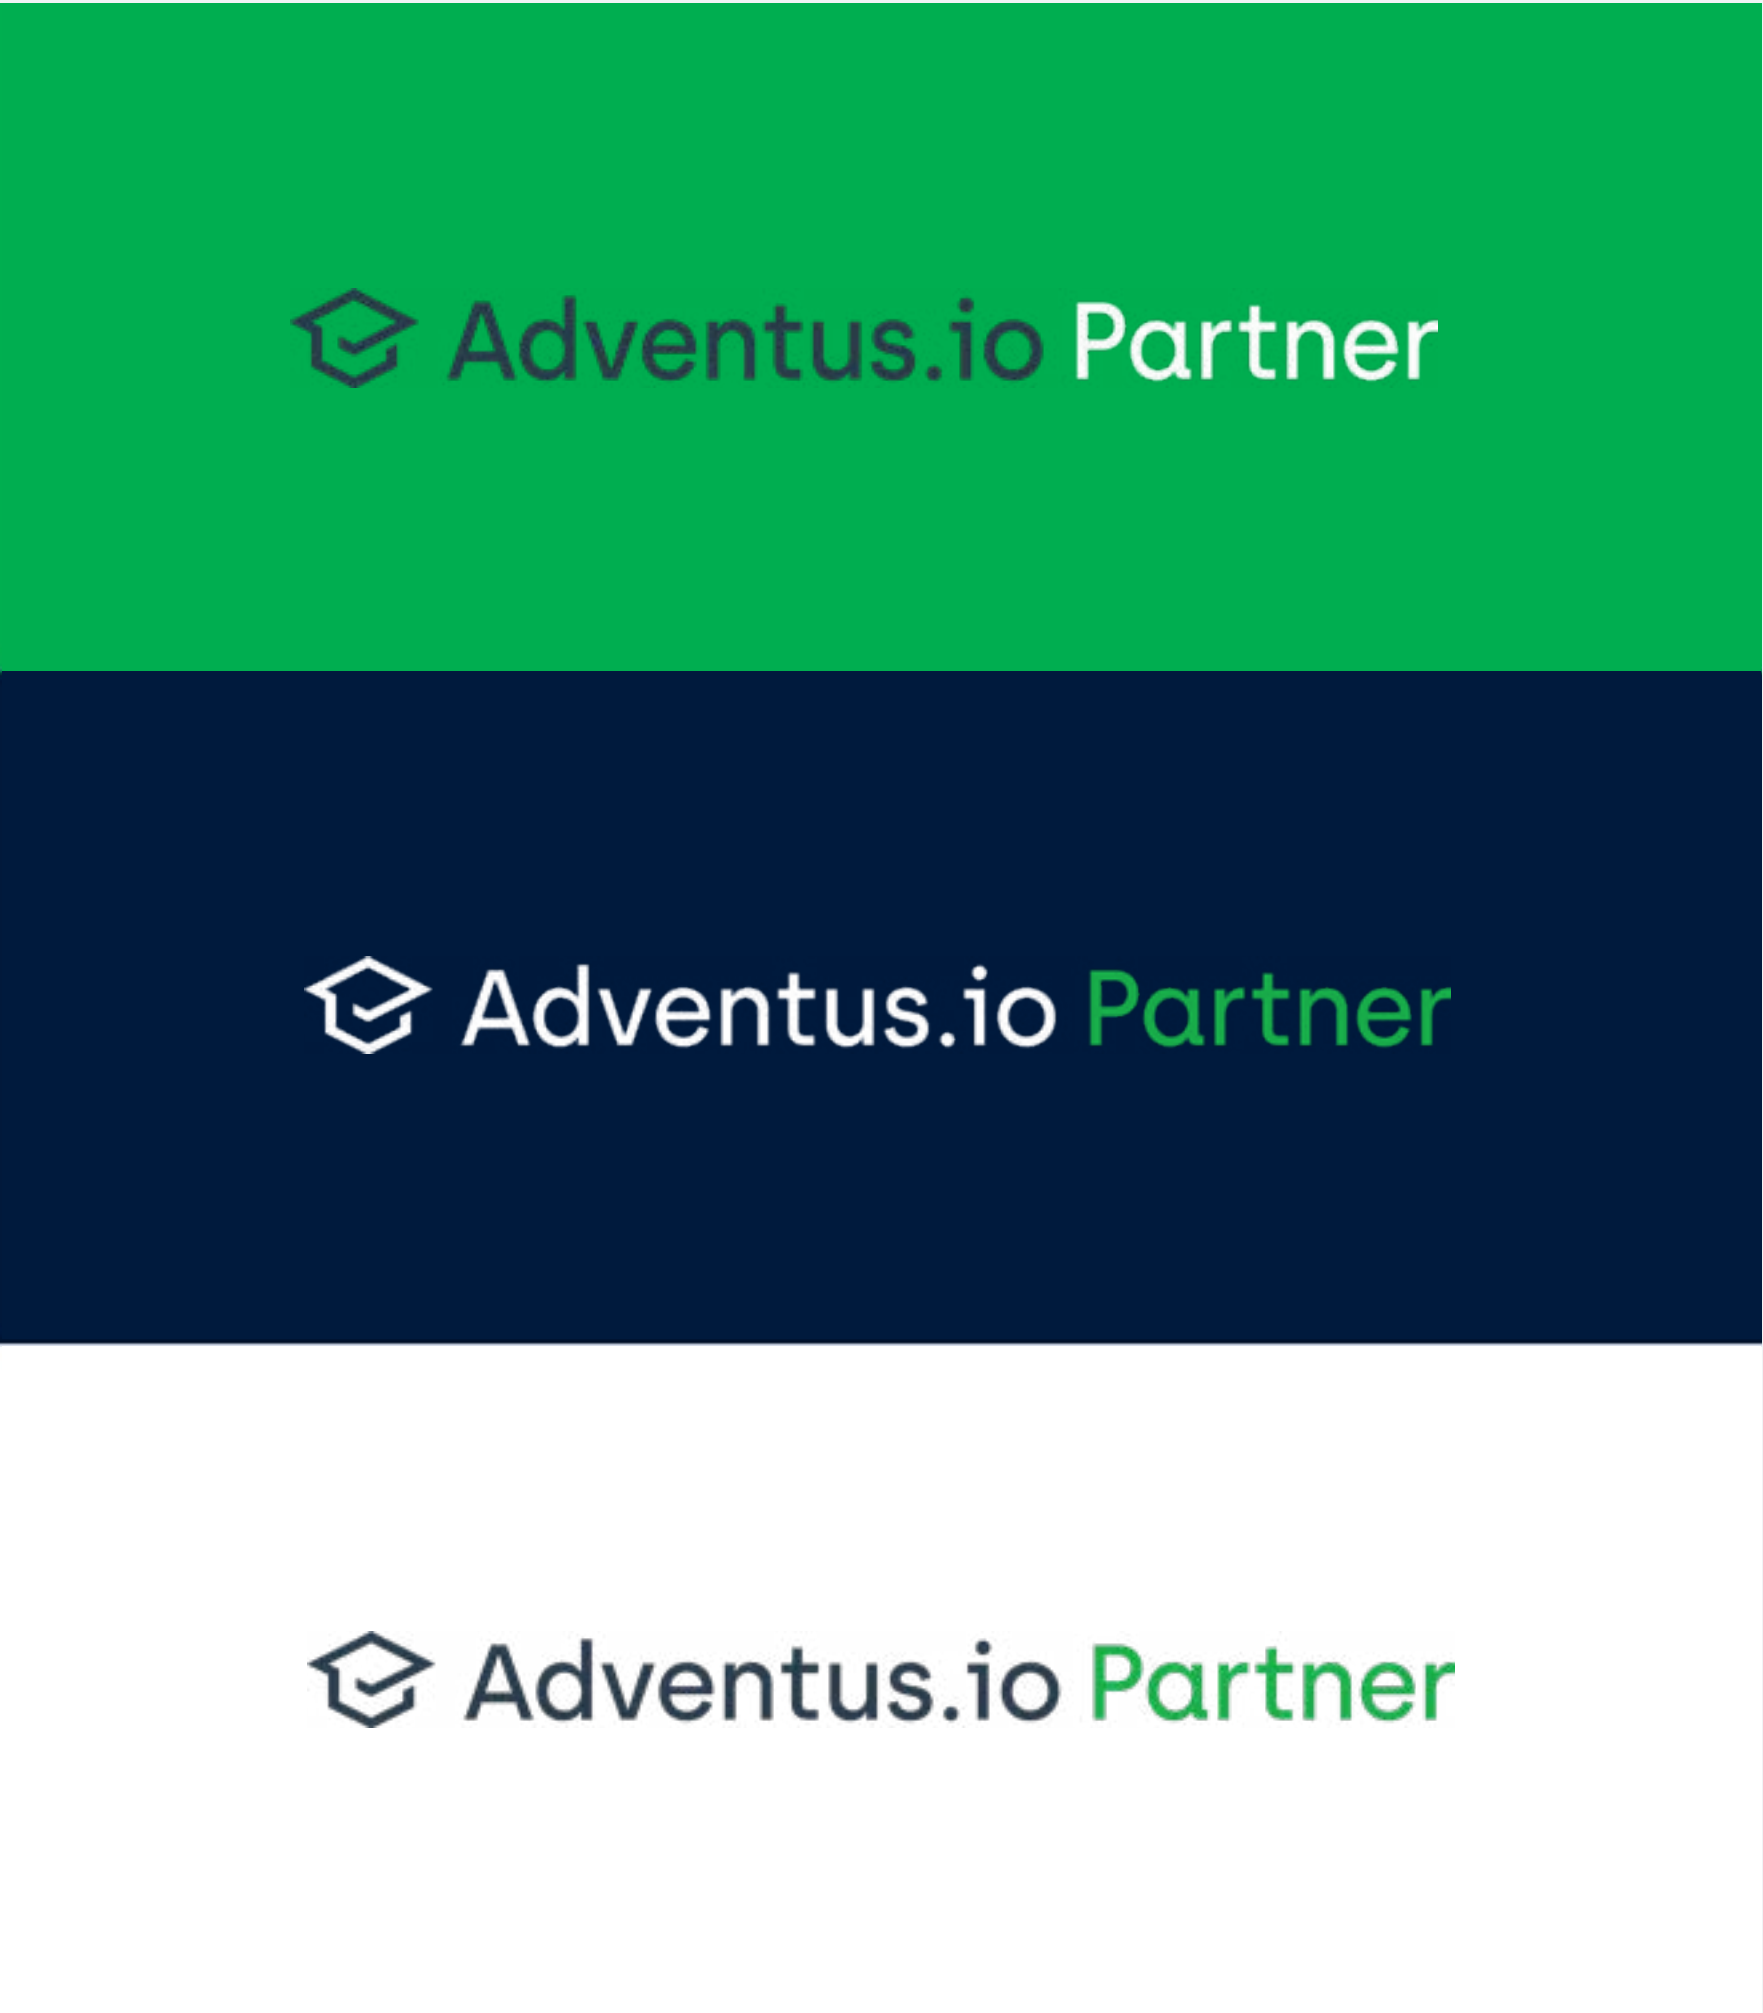

Emblem

Logotype

Partner extension

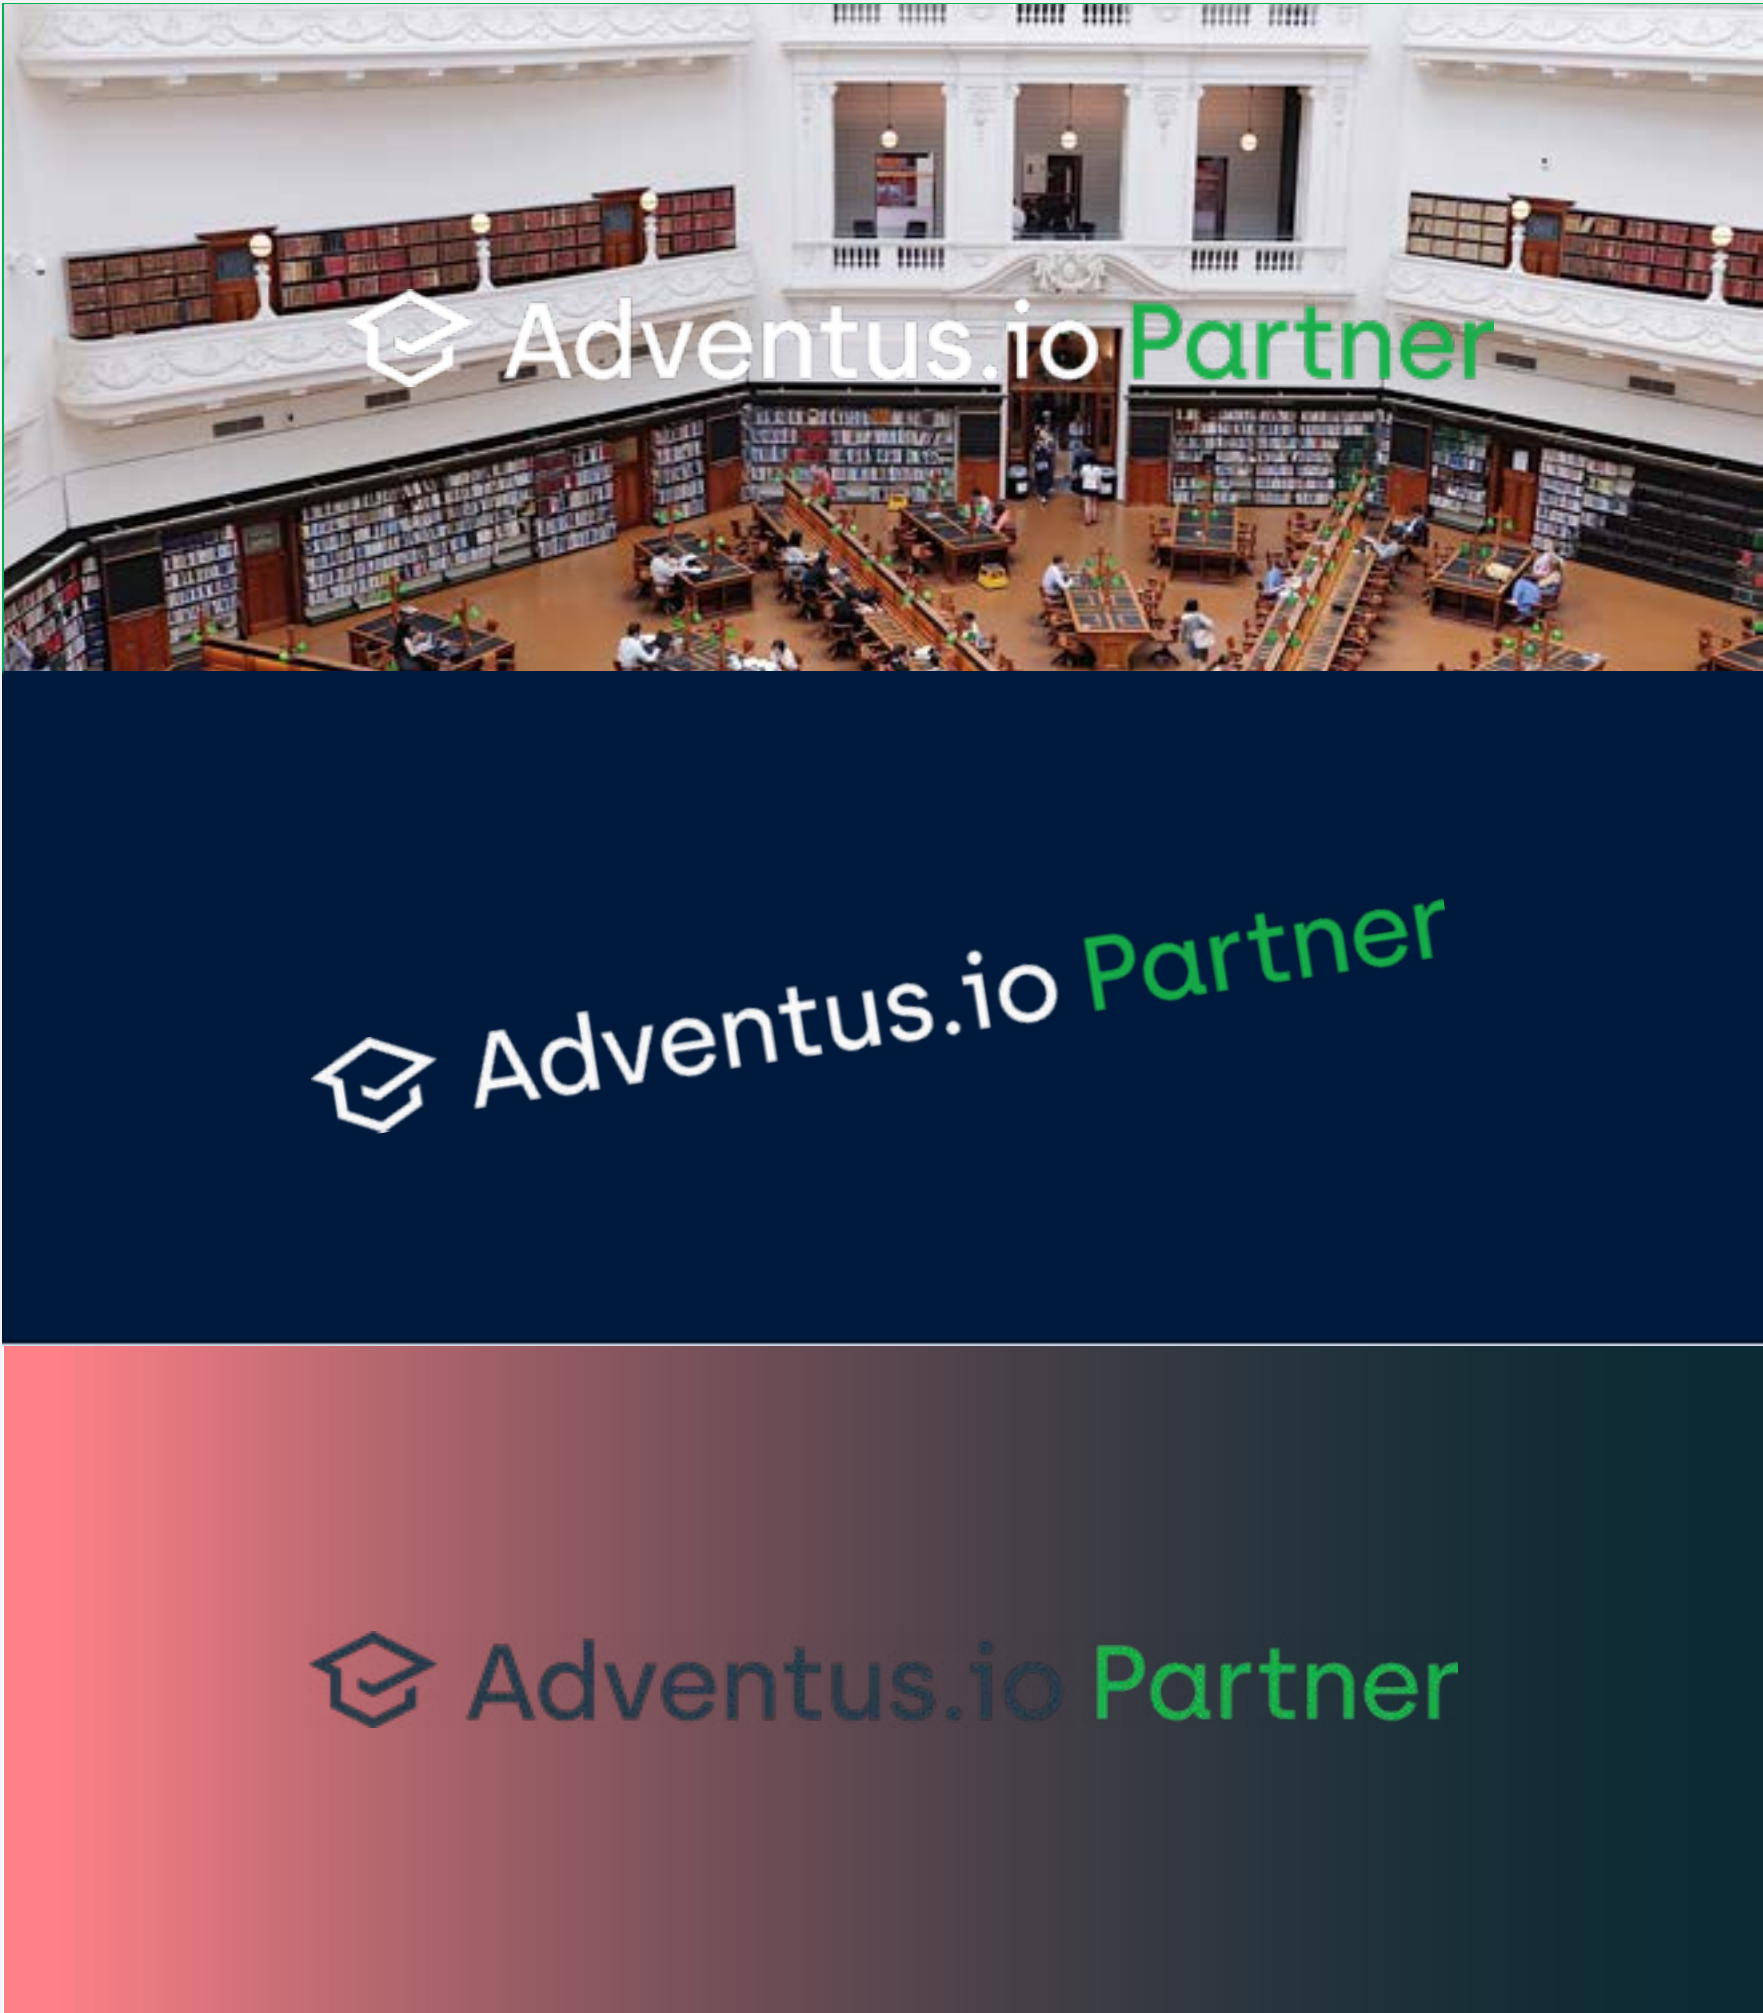

# Colours

The Adventus.io Partner logo should not be used with another any other colour variations

# Incorrect use

- Don't stretch, condense or change the dimensions.
- Don't alter or replace the typefaces.
- Don't skew or bend the logo in any way.
- Don't add any extra elements.
- Don't crop or rotate the logo.
- Don't use drop shadows, strokes or other visual effects.
- Unless specified here, don't change the colours or add colours to individual elements of the logo.
